

A photograph of a modern building with a curved glass facade and a landscaped plaza. The building has a distinctive curved corner and is surrounded by trees and a paved area. A person is seen riding a skateboard on the plaza. The text 'Landscape Architecture Europe' is overlaid on the top left of the image.

# Landscape Architecture Europe

Presentation IN TOUCH  
29 June 2012 - Copenhagen

## PRESENTATION AND CEREMONY

Announcing the publication of **IN TOUCH**, the third edition of **Landscape Architecture Europe (LAE)** on Friday 29 June 2012

## HOST

University of Copenhagen **LIFE (KU)**  
Festauditoriet, Bülowsvej 17,  
1870 - Frederiksberg, Copenhagen  
Co-organizers: Danish Association of  
Landscape Architects (DL)

## CONTEXT

World in Denmark congress, an international annual landscape architecture conference, hosted by the University of Copenhagen and organized by the research group for landscape architecture and -urbanism under the auspices of Prof. Ellen Braae on June 27 and 28, 2012.  
Information and registration of the congress: [www.windk2012.dk](http://www.windk2012.dk)

IN TOUCH has been made possible by the financial support of IFLA, The Netherlands Architecture Fund, NH Bos Foundation, Van Ginkel, Van den Berk, Grontmij, Ebben, Mostert de Winter, Ambius, BSLA and many others.
